Art Unit: 3682

The reply filed on 1-18-05 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): (1) It fails to list the claims readable on the elected species, as required; and (2) there is no indication that there is any registered agent or attorney prosecuting the case. If that is so, then applicants are prosecuting the application pro se, that is, on their own behalf. In that case, all applicants must sign every document submitted, under Patent Office rules, and so applicants' reply is nonresponsive in that respect as well. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
